Subject:

MIAMI-DADE COUNTY MAXIMUM ALLOWABLE TOWING RATES (COMMISSION AGENDA

ITEM NO. R7F)

The attached document provides the maximum allowable towing rates for non-consent tows in Miami-Dade County.

Specifically, Class "A" tows which are the most common types of tows such as automobiles was raised to \$97.00 on July 22, 2003, as per Miami-Dade County Resolution No. R-853-03. Typically, non-consensual tows require title and lien searches, advertising costs, and notification of lien holder(s) and owner of the vehicle's whereabouts. This fee is passed on to the user as an "administrative fee". The current maximum allowable administrative fee is \$30; therefore, the total maximum allowable rate is \$127.00. This does not include mileage and/or any other special equipment that the vehicle manufacturer may require or any additional labor required in order to properly tow the vehicle.

If you should have any questions, please contact me at (305) 673-7000, extension 6637.
